Jack Pattlin Won His First Out

JACK RATTLIN'S SPARKLING RACE

Flying Son of Spendthrift Gave Away Weight and Won Sprint Handicap in a Drive.

FOUNDLING BEATEN ODDS-ON.

Gorman Landed One Favorite Winner, and Geheimness Won Two-Year-Old Feature -Kiss Quick's Victory.

Jack Rattlin, Pat Gorman's high-class 2year-old son of Spendtrift and Intacta, gave a splendid exhibition of sprinting power when he won the third race at Delmar yesterday. Rattlin gave Father Wentker nine pounds and Croix d'Or nineteen pounds and beat both in a game race,

Rattlin was the 4 to 5 favorite, Wentker was 3 to 1 and Creix was 12 to 1. Rattlin gained two lengths in the first two jumps. Then Father Wentker went past him, Croix d'Or came from nowhere and joined Wentker in the run around the turn. Bending for home Crolx d'Or looked like a winner but swung wide. Waish brought Rattlin up on the rail and saved all possible

but swang wide. Walsh brought Rattlin up on the rail and saved all possible ground. It was a "ding-dong Duffy" all the way down the stretch.

Rattlin on the rail and Croix outside were under the whip. In the center Dale was doing all sorts of pretty hand riding on Father Wentker. But Rattlin was too good. Walsh kept at him and he stood the drive well, came on and won by a neck from Father Wentker, who showed twenty pounds a better race under Dale than he did under Singleton last time out. Bonner could not take care of himself or his horse in the stiff finish, les Croix d'Or swerve and stagger and had him beaten a length for second money.

The time, 1:14, was very good, the track, age of the winner and the weight he carried being taken into consideration. Walsh rode him well, but Dale's ride on Father Wentker was the best exhibition of jockeyship shown at Delmar this year.

Mr. Gorman and his party cashed to Rattlin at the short price of 4 to 5. They did not cash to Founding at the short price of 1 to 2. Jerry O'Connor was on Foundling. He got the good breaker off last, rode a wretched race on her, took her up and let her down steady by jerks, and in general misused her and got her beaten in a mile and seventy yards in 1:31%, a wretched race. Optimo, well ridden by Battliste and given a very strong finish, won, with Husenn and Bacchus lapped on him.

With a good rider up Founding could not have lost.

Miss Knickerbocker a saved-up "good thing" won the 3-rear-old race in a gailop.

with Hueema and sacenus appears and with a good rider up Founding could not have lost.

Miss Knickerbocker a saved-up "good thing," won the 2-year-old race in a gallop. She had run some poor races, and everyone expected that she would be 30 to 1. She was 7 to 5 and every one was getting down. She walked in, as she might have well have done when she was 30 to 1.

Miss Wandelohr won the first race at 12 to 1. She ran in much improved form, and Dean gave her a good ride. The contenders, Hessig and Joe Lesser, got off badly and never could reach.

Geheminess, the even-money favorite, won the fifth race. She galued a long lead in the start, ran fast five furiongs, but was stopping at the end. Frank Bullock ran a good race under a drive, and was second. Larry Daly's ride on Crime was the worst ever seen on a race track. He got her cut off on the first turn, took her back to last place, then came outside and around the field, swung wide in the stretch, let her swerve to the rall and in general made her run about 100 yards farither than any horse in the race.

In the last race. The Phoenician had.

AS A BETTING PROPOSITION.

Like Certain Winners. They look real easy at Delmar this after-noon. Bettors should cut loose and pick up some of the easy money. Fitzbrillar and Latuka seem to have the first race between them. They ought to run one-two as called. Deer Hunter and Helen Hay will battle for third realtion.

The second race is indeed a hard one. On the race prior to his last out Mr. Mulkey looks best. But his last race was distinctly poor. Elastic is not much to speak of, but he has speed and has been running with a class very different from that in which he is entered to-day. Colonel Maffitt's last race was road but as long as Tonsail is class very different from that in which he is entered to-day. Colonel Maffitt's last race was good, but as long as Tonsail is pulling them up when they break in front there is no use losing time with his horses. Lulu Flight has speed of a high class. The Messenger has been running good races and will be right there to-day. Have an eye on Fergus McCuddy. He was in with a better less time and there may be something.

Deponan looks like a real good thing in the third race. If he is ready he will come home alone. To be sure Mr. Vastel will have Higgins or McKinnie or some other bright luminary of the land of Texas up, but Deponan ought to be able to take Mc-Joynt up and win. Ladas and Hi-Nocker will go well if Tensall is not up on Hi-Nocker.

Orris looks like a moral cinch in the handicap. If right and the track is fast, she will breeze in. Salinda will go well for some way and may win if they get too gay with her and let her open up too big a gap. Navarine will take his share of beating, but a good ride on Orris will get all the money. Varro is the only one of the top weights that seems to have a chance.

The fifth race is a tremendously hard one. Skillman was very fit and ready the last time out; Varner, Burnett's Walkaway and Swordsman will all go well.

eventh Day. Judge, P. A. Brady; Starter, A. B. Dude. Weather clear; track fast.

GOSSIP OF THE QUARTER STRETCH.

Gorman Almost Lost Foundling—Jack
Ratilin's Merit.

Pat Gorman, the particular star of the
wise-guy firmament, had a close shave with
his good filly, Foundling, yesterday. They
beat her in a selling race, where she was in
for \$800.

Billy Hutchinson had Pampalona, a \$2
gelding, in the race. Mr. Hutchinson has
not been any too fortunate recently. He
has need of a horse that can win. Many
enemies of Gorman's were right after
Hutchinson when they saw that they could
not bid Foundling up. They offered to loan
him the \$1,100 necessary to claim her, and
take a mortgage on the filly until he could
pay them. They were tempting offers. Mr.
Hutchinson about fell for them.

He walked up with his claim made out
when a fell-w "wiss guy" of Gorman's
rapped to the motion.

"What are you going to do, 'Billy?'"
asked Gorman's friend, who, by the way,
had a horse in the race himself.

"Don't bother me," said Hutchinson, "I'll
have a horse that can win in a minute."

"Now, see here," said the gentleman.
"Don't claim her. She ran in Gorman's
name, but she really belongs to me. I'm a
friend of yours and let her alone."

"Well," said Hutchinson. "You are my
friend. If she is yours all right. But if she
was Gorman's or any one else's I would
have taken her." was Gorman's or any one else's I would have taken her."

Doctor Street was scared out of the third with Sambo. He thought that as Sambo was carrying a huge double of weight he might be beaten and claimed. As it turned out Sambo would have come home alone.

The track record at Delmar is for six furiongs in 1:13%, made by Peaceful, a 4-year-oid, with 104 up. Jack Rattlin, a 3-year-oid, ran it in 1:14 yesterday, with 119 up. The track is slower this year than it was last season. Rattlin is a sturdy, bigboned thick-legged colt, and evidently a sprinter of the very highest class.

Battiste put up a spiendid finish on Optimo yesterday. In the light of the races Battiste has ridden since he was called up in the stand for his bad ride on W. B. Gates, both his rides on this horse look very bad. When he rode the races in question many people thought that he was simply incompetent. His riding since has demonstrated that he was not an incompetent jockey, but one not entitled to much faith or trust.

"May the divil ate me," said Hughie Mc-Carren, tearing up tickets, "if that was not a bad start in that third race."

"Take a tumble," said Dan Honig, "Jerry gave Foundling a rotten ride. That is all there is to it. The start was all right."

"On me sowl, Dan," said Hughie, "I lost \$50 to the race and may I nivir see the face av hivin if I'd rayther not have lost me good eye."

Jerry got Foundling off badly. She is a very good breaker and among the crabs she was in with she should have been ten lengths in front in the first haif mile. Jerry had orders to rate her in front. He made a bully what Tommy Sayers said was a "bloody fine mess of it." He took her up and let her down and juggled her forty ways and got her beaten two lengths in a week. She should have been in and cooled dut before the others got home.

out before the others got home.

But of the great-grandfather of all bad But of the great-grandfather of all bad rides was Larry Daly's effort on Mr. Bratton's good filly Crime. This one looked like the winner, or at least the contender in the fifth race. Daly got her off well enough, but pulled her up, had her cut off while in third place, did not try to get her on her stride, took her back so as to get her on the stride, took her back so as to get her out of the hole on the rail, then went around his field and made up a world of ground. She would have been close to first at that had he not swung her against the cutside fence coming into the stretch.

"Who is the best bet of the day, Dick?" said the man in search of a winner to Dick Hanlon as they went into the grounds.

"Play Jack Rattlin and nothing else," said Mr. Hanlon, P. W. G.

When they saw Walsh up on The Phoenician instead of little Scully the bettors thought that it was in. The Phoenician is a bure brute and Scully could not handle

Croix D'Or ran a good race under bad handling yesterday. Mr. Avis has a good colt is the son of Dochart-Golden Silpper, He has entered him budly. He could have gotten long prices against him in sciling races had he not shown him up in handicapes and stakes where he ran good races but not quite good enough to win.

THE REPUBLIC FORM CHART JOCKEY DALE'S BANNER DAY; DELMAR PARK RACING ASSOCIATION, SUMMER MEETING-July 20, Twenty- WINS A RACE, TAKES A BRIDE

Young Daughter of Police Lieutenant Joe Sullens Did Not Want to Tell of Marriage Until She Could Announce Her "Days at Home."

Her desire to be able to announce her entry into her own flat and her "days at home" is given by the young daughter of Police Lieutenant Joseph Sullens of the Tenth District, as her reason for desiring to withhold the news of her marriage to Jockey William G., better known as "Billy"

The slim rider of thoroughbreds is just 20 years old, and the young lady two years younger. Their attachment dates back some little time, and their marriage was reported to have occurred some six months ago at New Orleans. Both have since averred that this was a mistake, and that no such step was contemplated. But on Tuesday they evidently changed their minds. They went to the City Hall, where a license was issued

As to when and where the ceremony took place is a secret sedulously guarded. Despite the fact that early last evening a Republic reporter was told at the young lady's residence. No. 451 Cote Brilliante avenue, that she was summering at Green Bay, Wis., a later visit revealed that she must have suddenly returned, for she was sitting on

suddenly returned, for she was sitting on the front porch.

Though Dale was very much in evidence at Delmar track yesterday, winning one race on Miss Knickerbocker and riding two seconds and a third, he was not "there" last night when it came to discussing whether or not the official starter had given the signal in the matrimennal handicap. The young lady said that she knew quite well where he was, but that she did not care to tell at that particular moment. The reporter asked more searching questions and then the truth was spoken:

"I don't see why I have to announce my marriage," said she, "until our flat is all fixed up and I can tell everybody my days at home."

Puth Lieutenant Sullens and Delege para at home.

Both Lieutenant Sullens and Dale's parents have been opposed to the match. Lieutenant Sullens is one of the most popular

the Istip Handicap at Brighton Beach today, and also lowered the track record for
one mile and a furlong. The time was
1.51 flat, and Bonnibert's performance was
wonderful, as he carried 129 pounds. Martin rode a good race on him, nursing him
for over half the journey and then sending
him to the front, having a little speed left
with which to stall off Tom Kenney, the
determined challenger, in the stretch.
The winner was an odds-on favorite and
Tom Kenney and Ten Candles were well
played to heat him, while Contend was the
extreme outsider. Contend made the running to the turn out of the back stretch,
where Martin sent his mount to the front,
and in doing so, slightly interfered with
Contend, who then dropped back. In the
stretch, Tom Kenny closed very strong, but
was never able to catch the leader, who
won by half a length. Tom Kenny was
four lengths in front of Contend, Contend
pulled up very lame. Summary:

8.20, while the main event will go on about 9 o'clock. Both boys have appeared at the West End City in resimplement before. The main event should afford an interesting contrast of styles, as Goodman is a terrifically hard hitter for his weight and disposed of Tommy Feltz a short time ago in twenty rounds. Goodman can mix things up at close range to great advantage, and as Regan's close work and blocking is a feature of his style, an interesting test of their abilities in this line should be furnished.

Goodman did not reach the city last night, as he at first wired, but a telegram was sent by his manager on the road telling President Haughton that he would arrive at 6 o'clock this morning. The men will weigh in at the West End Chib at 3 o'clock this afternoon.
Harry Forbes will fight the winner for the barkam champlonship, but Colonel Hopkins, Forbea's manager, asked McKeana if the bout for the title could be held at its pounds. McKeana gave his consent to the raise in weight, as did W. A. Pierce, manager of Goodman, and the title will be contested for at the rew figure.

Winning of the title, or rather the chance to meet Furbes for the title, will be the prize for which the winner will struggle tonight, as both men will receive the same share of the money. In order to keep within the law, as interpreted by Circuit Attorner Folk President Haughton has decided.

President Haughton is now making arrangements for Martin Duffy to appear in a bout before the club within the next month or so.

Three heats of this race were paced on Monday. When the event was taken up to-day, Fred S. Wedgewood had two heats to his credit and Captain Sphinx one. Wedgewood was an even-money favorite over the field, but he did not have his usual speed, and Dan R. took three straight heats and the race.

The race was the first on the card and the track was still heavy on the Field owing to the hard rains of yesteroay. The horses were compelled to go long miles and under the circumstances Dan R. s first heat in 2:05, was equal to a mile in 2:05 or better. He paced the last quarter of the sixth heat in 2:05.

The fast mile was too much for her and she could not get up again. Dan T., always a contender, after the first heat, won the fourth.

The elaborate preparations being made by the prometers of the resorts at Saratoga for the approaching season, together with the influx of every catch-penny fastir from New Orleans to the border, is alarming the identities of racing like W. C. Whitney, August Beimont, F. R. Hitchcock and H. K. Khapp.

The prospect that Saratoga, the proposed inclional seat of the American turf, may become notorious as a New World Monte Carlo is not in line with their deess of what the rejuvenated Spa second be. It is undergreed to be been sound to be between the locations of the Levice of the location o

It is understood the Jockey Club has promised to lend every assistance possible to the Saratoga Association in its contemplated crusade against the knights of the green baize. How Mr. Whitney and his associates will fight the gamblers remains to be seen. One thing sure, the ceterle of racing owners who are said to be behind a new gambling venture at the Spa will be kept in hot water if they continue to race. The gamblers recognize in Mr. Whitney the most powerful and formidable of all their enembers.
